Roberta Volpato

FOUNDER & CEO**STUDIO ESTRATÉGIA**

Roberta Volpato is a senior governance and compliance expert with broad experience in risk management, internal controls and anti-bribery systems across highly regulated sectors such as finance, energy, infrastructure and technology. She is the founder and CEO of Studio Estratégia, a boutique consultancy specialized in GRC and ESG strategies for private corporations and public institutions.

She currently serves as an Independent Board Member at Itaipu Binacional Parquetec, and acts as an advisor and angel investor in innovation-driven startups. Roberta was honored with the Legal Falcons Award (California/USA, 2022–2023), recognizing her among the top 50 global professionals in legal innovation. In 2019, she received the honorary title of Comendadora from the State of São Paulo for her leadership in excellence and quality in GRC consulting.

She completed the Board Member Development Program (Formação em Desenvolvimento de Conselheiros de Administração) at Fundação Dom Cabral, and holds specialized credentials from the Board Academy in AI-driven business advisory (Meta Conselheira para Negócios Inovadores e AI Driven) and Startup Board Advisory (Lean Governance Based Thinking). She is also a Lead Auditor for ISO 37001 and 37301 and a Certified Internal Controls Professional (CIC-P) by the Internal Control Institute – USA.

Roberta currently serves as President of the Alumni Council at Fundação Dom Cabral and has co-authored several reference books on compliance, data protection and ESG. Her academic work includes teaching at top law and business schools across Brazil.
