

NATIONAL FLAG/ COMPANY'S FLAG

Estrella, Darys

Vice-President for Corporate Sustainability
Grupo Vicini

Darys Estrella is Vice-President of Corporate Sustainability at Grupo Vicini, an asset management firm in the Dominican Republic. Previously, she was Chief Executive Officer of the Dominican Republic Stock Exchange (2007-2012) and served for five years as Vice-President of Goldman Sachs & Co.'s Fixed Income and Human Capital Management divisions. Before joining Goldman, she spent seven years at Deltec Asset Management as a Vice-President in the Emerging Markets Fixed Income division, covering Latin America. From 2007-2011, Estrella was Secretary of La Asociación de Bolsas de Centroamérica y el Caribe (BOLCEN), a consortium network of seven capital markets exchanges in Central America and the Caribbean. She is a Member of the University of Michigan Stephen M. Ross Business School's Alumni Board of Governors and a Member of the International Advisory Board of Fundacion Dom Cabral in Brazil. Estrella received her BA from Vassar College and her MBA from the University of Michigan.

VICINI

VICINI is synonym of successful business generating progress for the country in many different fields: tourism and real estate, industry and energy, finances and insurance, food, beverages, and retail, as well as communications.

VICINI represents diversification and synergy in each of the areas where it operates. From its beginning responsibility, ethics, reliability, soundness, and growth are its undisputable trademark.

VICINI has expanded and grown in several areas developing and empowering industries, corporations, products and services, with innovative technologies and management models, involving and training its people, among many others.
