

Mozart Pereira dos Santos

President of the Board of Trustees

Mozart is a Bachelor of Psychology from PUC-MG and did graduate work in Human Resource Management and Development and in Organizational Development. A psychotherapist and psychoanalyst, he has taken several development and specialization courses in the areas of Group Dynamics, Clinic Social Psychology, Psychoanalysis and Psychotherapy.

Mozart has amassed technical and managerial experience in banking, power, telecommunications and steel making companies. He has worked as a Human Resource Superintendent at TELP/Telebras – Pernambuco Telecomunicações, and as a Human Resource Advisor to the Management Board of Aços Especiais Itabira – ACESITA. He was a professor of Group Dynamics and Human Relations at the Catholic University of Pernambuco Institute of Psychology and assistant professor of the PUC-Minas Educational Psychology Chair.

At Fundação Dom Cabral, he was Executive Director, a member of the Board Committee and professor of disciplines related to leadership and individual, team and organizational development.

Mozart is currently Chairman of the institution's Board of Trustees.
