NOVELIS

Novelis is the world leader in aluminum rolling, producing an estimated 19 percent of the world’s flat-rolled aluminum products. It is the no. 1 rolled products producer in Europe, South America and Asia, and the No. 2 producer in North America.

With industry-leading assets and technology, it produces the highest-quality aluminum sheet and foil products for customers in high-value markets including automotive, transportation, packaging, construction and printing. Its customers include major brands such as Agfa-Gevaert, Alcan, Anheuser-Busch, Ball, Coca-Cola, Crown Cork & Seal, Daching Holdings, Ford, General Motors, Lotte Aluminum, Kodak, Pactiv, Rexam, Ryerson Tull, Tetra Pak, ThyssenKrupp and others. Novelis is also the world leader in the recycling of used aluminum beverage cans. Annually, it recycles more than 36 billion used beverage cans – enough to circle the earth more than 100 times. Novelis is globally positioned, operating in 11 countries with approximately 12,700 employees. The company reported revenue of \$11.2 billion in its 2008 fiscal year. Formed as a Canadian corporation in January 2005, Novelis is a wholly owned subsidiary of Hindalco Industries Limited --Asia’s largest integrated producer of aluminum and a leading producer of copper. Based in Mumbai, India, Hindalco is one of the most cost-efficient aluminum producers globally. Hindalco’s stock is publicly traded on the Bombay Stock Exchange, the National Stock Exchange of India Limited and the Luxembourg Stock Exchange.
